Provides a Tie with Community, Economic, & Industrial Development

A Partnership formed between the Pana Chamber of Commerce and the City of Pana in 1995 gave Pana the ability to have one office working full time for the same good of the Community in professional manner. This focal point has proved to be successful in the development of our City. This partnership has resulted in over \$10,000,000 in grants and programs for Pana since that partnership was formed.

Visitors/Tourism

Visitors and Tourist traveling through our Community on Rt. 51, 16, & 29 are provided information by the Pana Chamber of Commerce. Tourist racks are available at the Chamber Office in City Hall. The Pana Chamber distributes booklets and pamphlets to many points in the area. It is a proven point that those that travel through a Community, if they stop they will spend money. If they are happy with their purchase and the surroundings they made the purchase in, they WILL stop again. The Pana Chamber of Commerce promotes Visitor & Tourism in Pana to help promote your place of business.

Gift Certificate Program

The Pana Chamber of Commerce Gift Certificates are an opportunity for gifts to keep dollars in the Pana Area. These Certificates are available for purchase by the general public or businesses in the Chamber Office and can be used at any Pana Chamber Members Business. In 2008 the Chamber kept nearly \$6,000 in the Community by those utilizing the Program.

Pana Informational Packets

The Pana Chamber Office puts together Packets of local information for those requesting relocation packets, business packets, or visitor packets. In 2008 the Pana Chamber of Commerce sent out 236 such packets of information.

Focal point of Promoting Pana/Pana Area Positively

Negative information is very easily found. Members of C.A.V.E. (Citizens Against Virtually Everything) exist in every Community. The Pana Chamber of Commerce Promotes Pana Positively 24/7-365 and encourages all it touches to do the same.

Resource/Research Center

It is very common for people to contact or visit the Pana Chamber Office looking for information. The Pana Chamber keeps files of information and resource books as well as access to the internet to provide information to those seeking what, where, how, who and when for the Pana Area and beyond.

Membership Plaque

To highlight the Pana Chamber's 66th Anniversary a new, high impact plastic membership identification plaques will be provided to every Member in good standing. The plaques will transmit to your customers as to the quality establishment they are doing business with and the roll your business plays in your Community.
